Los pollitos dicen
pío, pío, pío

cuando tienen hambre,
cuando tienen frío.

La gallina busca
el maíz y el trigo

Les da la comida
y les presta abrigo.

Bajo de sus alas
acurrucaditos

duérmén los pollitos
hasta el otro día.

The little chicks say
peep, peep, peep
when they are hungry,
when they are cold.

The mother hen
looks for corn and wheat
she gives them food,
and grants them shelter.

Under mama's wings,
huddling up,

Sleep the little chicks
until the next day.
